

ZYNOXBIT SOFTWARES LTD – OFFICIAL CORPORATE PROFILE

ENTERPRISE PROFILE & SOFTWARE PORTFOLIO 2026

A comprehensive strategic overview of ZynoxBit Softwares Ltd—delivering high-concurrency cloud architectures, custom enterprise software, zero-trust security ecosystems, and cutting-edge UI/UX design.

</> Full-Stack Engineering

🛡️ Cybersecurity & Auditing

⚙️ Custom AI Systems

PIONEERING TECH SOLUTIONS

Empowering Visionary Enterprises Through Engineering Mastery

ZynoxBit Softwares Ltd is a premier full-service software company engineered for the modern enterprise era. We specialize in converting complex technological challenges into elegant, high-concurrency software products. By integrating cutting-edge frontend design with fault-tolerant cloud backends and zero-trust security frameworks, we empower our global clients to lead their industries.

Our Vision

To serve as the undisputed global benchmark in next-generation software development—creating resilient, intelligent, and human-centric digital experiences that redefine industry standards and elevate brand value worldwide.

Our Mission

Bridging the boundary between complex backend engineering and sublime UI/UX ergonomics. We build scalable digital ecosystems, enforce bank-grade security protocols, and deliver measurable ROI for visionary leaders.

CORE STRATEGIC PILLARS

Technical Innovation

Leveraging Next.js 16, AI models & modern tech stacks.

High Scalability

Architectures built for 10M+ daily transactions with zero lag.

Cyber Resilience

OWASP compliance, pentesting & military-grade encryption.

Human-Centric UI

Glassmorphic elegance & dynamic micro-interactions.

RAPID SOFTWARE TRAJECTORY

Proven Growth & Demonstrated Impact

Since inception, ZynoxBit Softwares Ltd has evolved into a premier software provider. Our relentless focus on engineering quality, security hardening, and aesthetic precision has earned us the trust of high-growth startups and global enterprises alike.

MILESTONE EVOLUTION

2022 – FOUNDATION

Full-Stack Core

Established with core mastery in MERN stack & Next.js architectures.

2024 – EXPANSION

Enterprise SaaS

Launched enterprise software engineering & cyber security auditing units.

2025 – GLOBAL REACH

Cross-Border Hubs

Expanded operations across 15+ countries with 100+ active deployments.

2026 – AI ERA

AI & Automation

Engineered proprietary AI matching engines & high-throughput cloud platforms.

PERFORMANCE CALLOUT GRID

120+

Projects Delivered

On-time execution across web, mobile & SaaS platforms.

99.4%

Client Satisfaction

Based on multi-year enterprise client retainers.

15+

Global Reach

Serving clients in Asia, Europe, UK, and North America.

99.99%

Uptime & Compliance

ISO/OWASP certified cloud security standards.

A MESSAGE FROM OUR FOUNDER

Executive Speech & Strategic Alliance

Argha Biswas

FOUNDER & CEO

ZynoxBit Softwares Ltd & Unnoyn

COMPANIES FOUNDED

STRATEGIC COLLABORATOR

A Message From Our Founder

"When I founded Zynoxbit and Unnoyn, I had one vision — to prove that you don't need to compromise between quality and affordability. Today, we continue to bridge innovation and trust to deliver world-class digital solutions."

Every client who trusts us is not just a project — they are a partnership we take personally. I built these companies from the ground up with a single promise: **your success is our reputation.**

Together, Zynoxbit and Unnoyn bring you an unmatched combination of elite MERN stack engineering, AI-powered automation, and performance-driven digital marketing. Whether you're a startup finding your footing or an enterprise scaling globally — we have the expertise, the technology, and the relentless dedication to make it happen.

I personally stand behind every project we deliver. Our teams across Malaysia and Bangladesh work as one unit with one goal — to exceed your expectations, every single time. **That's not a slogan. That's my word.**
